Phillipa Sherlock-Lewis

WELCOME FROM OUR CEO

I was born and have grown up in inner city Birmingham. As a child I attended Highfield Junior & Infant School, a large Victorian built primary school in the Saltley area of the city. I was delighted when Highfield joined our family of schools, becoming the third member of the Prince Albert Community Trust (PACT) in 2016. My parents were first generation immigrants from Pakistan and from a very early age instilled in me the value and transformational power of education, a journey that I began at Highfield in 1978 as a four-year-old who spoke no English.

My background and experiences give me a unique insight into the communities I currently serve as Executive Headteacher and CEO of PACT. We have many children at our ever-growing group of PACT schools and I have the same high expectations for all of them. We understand that from time to time some of our children and families experience very challenging circumstances, we are clear in our belief however that there is no excuse for underachievement and that regardless of their situation; all of our students will fulfil their potential. It is this belief that was the genesis of the idea of Prince Albert High School and led to its conception.

PA High is without a doubt the most exciting project I have had the privilege to be involved in. The school opened in September 2021 next to the Athletes Village of the Birmingham Commonwealth 2022 Games. It will provide the opportunity for us to continue to educate our PACT primary aged children through to 16 and 18 years old. As educators and those responsible for building the foundations for future educational success for our children, we believe that everything that happens in our schools has to be good enough for our own children, if we are to accept it as good enough for the students that we serve. I insist that all staff have to buy into this philosophy. This message has been embraced by staff and as a result: all of the PACT schools provide an excellent quality of education led by a dedicated and talented Senior Leadership Team. I would be proud to send my own children to any of our schools.

I lead a highly committed and talented group of people who go above and beyond on a daily basis in order to ensure that our students get the most out of their primary school education. We value highly and invest heavily in staff development in order that we have the very best people working with our children. PA High will enable us to continue to do this and take the responsibility for preparing our children for adult life.

For many of our students, as it was for me, growing up in inner city Birmingham, this is their one chance to secure a future for themselves and their families. The gravity of our responsibility must never be underestimated.

Sajid Gulzar OBE

WELCOME FROM OUR DEPUTY CEO

I am a mom of five wonderful children and I passionately want the very best for each and every one of them, they are all unique individuals which means no one model suits them all. What I want for them is the same as any parent would want for their child; the very best. The best school, the best teachers, the best opportunities, the best sports coaches, the best dinner staff and the best pastoral care in order to ensure they are happy, safe and successful, today and in the future.

I have worked as a teacher and leader in numerous schools across Birmingham for the last 22 years. Being the Deputy Chief Executive Officer for The Prince Albert Community Trust is an exceptionally privileged position which enables me to strive and achieve for PACT children what I want for my own. One of our mantras is “we work this hard because we believe that our schools have to be good enough for our own children...we hope someone will work this hard for our children.”

Key to achieving our PACT vision of “united we are world class” is one of my core principles; developing people. I believe by inspiring and developing staff we will inspire and develop our students and so we work extensively to personalise the learning for all. I feel blessed to work with the children, staff, and trustees of the PACT. My role allows me to work with and for all of our schools. Having a strategic overview of their strengths and areas for development, we work tirelessly to support each other across the PACT working in true collaboration.

We actively seek and positively welcome challenge, feedback and suggestions. Please feel free to see any of our staff, myself, or our feedback section on our websites and help us on our journey. The door is always open.

OUR PHILOSOPHY

We want our school leavers to have a strong sense of purpose and for them to understand that they can benefit from society but more importantly can be a benefit to society. We want our pupils to be hard working, ambitious and resilient. They will understand their rights and responsibilities as British citizens and their roles in improving their neighbourhoods and communities. They will have every opportunity to develop their emotional intelligence and decision making skills. They will develop an understanding of local, national and international issues and will have an awareness and understanding of their position as global citizens.

We have a fundamental and strongly held belief that our pupils have the potential to achieve the highest academic standards and to compete with high achieving pupils locally, nationally and internationally. We want to prepare our children for the very best job opportunities the world has to offer, to make this possible we are developing working partnerships with leading universities and business regionally, nationally and globally. The success of our schools is built on the relationship we enjoy with our families based on mutual trust and an understanding that we only want the very best for our pupils.

SAFEGUARDING POLICY

CHILD SAFEGUARDING POLICY

The Trust is committed to Safeguarding and Promoting the Welfare of all its students. Each students' welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with Special Educational Needs, those living in adverse circumstances.

We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world in a positive way. Whilst at PACT, their behaviour may be challenging, we will always take a considered and sensitive approach in order that we can support all our students.

The Trust's Child Safeguarding Policy applies to all adults, including volunteers, working in or on behalf of the Trust.

Everyone in the education service shares an objective to help keep children and young people safe by contributing to:

- Providing a safe environment for children and young people to learn in education settings; and
- Identifying children and young people who are suffering or likely to suffer significant harm, and taking appropriate action with the aim of making sure they are kept safe both at home and in the education setting'

KEEPING CHILDREN SAFE IN EDUCATION 2022

The Trust pays full regard to 'Keeping Children Safe in Education' guidance 2022. We ensure that all appropriate measures are applied in relation to everyone who works for the Trust who is likely to be perceived by the children as a safe and trustworthy adult including e.g. volunteers and staff employed by contractors. Safer recruitment practice includes scrutinising applicants, verifying identity and academic or vocational qualifications, obtaining professional and character references, checking previous employment history and ensuring that a candidate has the health and physical capacity for the job. It also includes undertaking interviews and an Enhanced DBS check.
