Dear Candidate,

Firstly, thank you for considering our school to be your place of work from September. I would be delighted to welcome your application for the post of class teacher.

I have recently been appointed to the post of Headteacher at St John with St Michael, so I will also start my role at the school from September, which means we would both begin our exciting journey together.

I am passionate about providing our pupils with the best possible education and experiences in order to equip them with the skills they need to become successful and accomplished young people. In order to achieve this ambition, I will also ensure that I provide you with the support, advice and additional CPD that you would require in order to enable you to fulfil your role.

If you would like to have a discussion with me about this post, please e-mail: head@sjsm.lancs.sch.uk with your details and I will arrange a time to speak to you.

I look forward to reading your application.

Yours faithfully,

Steven Shaw
