Our Christian Values

No challenge too big, no child too small - for with God nothing will be impossible

(Luke 1:37)

As a Church of England school, we believe that all of our pupils have the potential to do well, to succeed in their learning and to become valued members of society. We encourage, support and value the perseverance our children develop together and through showing each other friendship, service and respect every day we encourage and support each other to flourish and 'live life in all its fullness' (John 10:10).

Our six Christian values – Creativity, Friendship and Love, Truthfulness, Service, Perseverance and Respect – are at the heart of our school community. Our daily act of collective worship, supported by contributions from staff, pupils, church clergy and other visitors, is viewed as an integral and important part of school life and Religious Education is taught to reflect our overall aims, values, and philosophy.

We actively seek to encourage attitudes of awe, wonder and reflection. We do this by providing all our children with: opportunities to participate in prayer, discuss stories from the Bible, reflect on current issues as well as explore Christianity and other faiths to gain a good understanding and mutual respect of different beliefs, culture and traditions. We are proud to have received a 'Good' grade at our most recent SIAMs inspection.

We aim to give all of our pupils the best start, preparing them for their secondary education and their role in modern British society so that they will have the skills, resilience and creativity to thrive in the world in their time.
