The children, staff and governors of Rosecroft Primary School are looking to appoint a teacher to provide excellent teaching and learning practice. - have extensive knowledge of the National Curriculum and experience of translating it to meet the developmental needs of children in your class
- have a vision for what outstanding learning and teaching should look like for children, with the capacity and drive to deliver this
- be a professional who inspires children, including them as active learners
- experience of developing children with SEND as well as stretching high achievers
- be determined to make a difference
- be calm, caring and supportive of the inclusive ethos of our school
- have high expectations of yourself, standards of achievement, progress and behaviour, together with a willingness to hold others to account when those expectations are not met
- be an effective team member, organised, hardworking and flexible
- have a passion for teaching, with the ability to inspire and motivate
- be an excellent role model.

We can offer:

- happy, responsive and polite children
- an opportunity to make a difference and shape the future of our school
- good professional development opportunities
- a caring, committed and inclusive ethos
- the opportunity to develop classroom and wider school responsibilities
- a committed friendly, supportive staff team.

If, having read the job description and person specification, you believe you have the skills and attributes to take on this exciting new role and make a real difference to the outcomes for our children, then we warmly invite you to complete the application form and submit it together with your personal statement. Please forward completed application forms to the sbm@rosecroft.norfolk.sch.uk marked for the attention of Susie Willingham.
