

CHURCHFIELDS JUNIOR SCHOOL

Dear Applicant

Thank you for taking an interest in applying for a Class Teacher post at Churchfields Junior School.

I hope that you will find the attached Job Description and Person Specification helpful. To be successful in your application, please visit our school website www.churchfieldsjunior.com for further information.

We are a four-form-entry junior school, situated in South Woodford in the London Borough of Redbridge. In Oct 2024, the School was rated 'Outstanding' in all categories by Ofsted. Our results are some of the best in England. We are an outward facing school and it is our aim to build on this and also share our expertise with others.

All staff are committed to ensuring that every child in our community has access to the highest possible standard of education, a great curriculum and an extensive range of extra-curricular opportunities. In order for all children to achieve deep understanding, teachers provide instruction so that children can connect new knowledge with existing knowledge so that they are fluent and competent at applying their knowledge as skills. Our traditional, knowledge-led approach to teaching and learning [Teaching and Learning Policy](#) is based upon Rosenshine's Principles of Instruction. As a Class Teacher you will plan, teach and assess English, Maths, Science, History, Geography, PHSE, RE and Computing. We have a specialist teaching team who plan, teach and assess Art, Gymnastics, Dance, D&T, Music, French and Outdoor PE.

We want to appoint a teacher who has the highest expectations of everyone in our community, who enjoys working as a member of a team and who takes a solution-focused approach. The successful candidate will be well supported by an experienced team, with a programme to develop their teaching craft. We welcome applications from professionals who are keen to further develop their own career. This is an exciting time in the school's history – we were 150 years old last year. Our staff and governors are committed to continuing the success we have achieved and to ensuring the very best for all our children. I look forward to working with someone who wants to take an important role in ensuring that our school continues on its journey of developing into a world class school.

I look forward to reading your application.

Rebecca Emeny
