The Reach Free School is looking to appoint a talented, supportive, adaptable individual to take on the role of Year 7 Assistant Teacher. Equally, the role is suitable for someone with experience of working in a supportive role in a school environment.

The role has many aspects including:

- Being the form tutor of and offering pastoral support to a class of year 7 pupils

- Offering extra-curricular activities as part of our integrated programme

In return we will offer you:

- A happy and supportive working environment with high expectations and standards
- Opportunities to develop a broad range of skills in a vibrant and evolving environment
- Opportunities to progress to a career in teaching via the Schools Direct programme, where viable
- A network of outstanding practitioners to collaborate with and learn from
- A BUPA cash plan to contribute to medical care

The Reach Free School is a successful and growing secondary Free School, which opened in September 2013. The oversubscribed school is a popular choice for local families. In September 2018 the school moved into a brand new purpose built building right in the heart of the community that it serves. In September 2022 we added an additional form of entry in year 7 taking us to five classes.

If the challenges of working to develop a local school appeal to you, then we would like to hear from you.
