The Coppice is one of the top performing schools in the area. We are annually over-subscribed, being a hugely popular school. We have a great reputation for being a warm, welcoming and supportive school. Though in a semi-rural part of Worcestershire, we closely border Birmingham and Solihull.

We are looking to appoint a dedicated, talented Teacher who is committed to ensuring the highest quality of teaching and learning for our Year 2 pupils through research-informed practice in line with the accompanying job description and person specification.

This is an exciting time to join our school as it continues its development under a new Headteacher and Senior Leadership Team.

**Benefits of joining our team:**

- A chance to make a real difference to the lives and aspirations of some of our children.
- A new, exciting and well-designed curriculum to deliver to our children.
- There is great support for any newcomer from both the Senior Leadership Team and your year group colleagues. As we are three form entry, you will be working with a team of experienced staff.
- Our children are lovely, well-behaved and very motivated to learn.
- Being a large school, there are opportunities for career development.
- We place a high degree of importance on the professional development of staff. Including membership to the National College that all staff have access to.
- Staff laptop for every teacher.
- We offer a subsidised BUPA membership
