Elthorne Park High School is a successful and significantly oversubscribed 11-18 mixed school with 1500 students including 250 in the Sixth Form, based in the Queen of suburbs, Ealing. A high-performing school that has risen to become one of the top performing schools in West London and inside the top 200 in the country, we are continuing to improve. That's a reflection of our exceptional teaching team, as well as our students who are not only thoughtful and resilient, but also hardworking and eager to learn.

With a new £14 million state of the art building equipped as a centre of excellence, we offer a range of outstanding resources to support teaching with a particular focus on ICT and new technologies.

In March 2019 Ofsted judged us as outstanding and we have also achieved 4 SSAT Leading Edge Awards (variety of teaching approaches, engagement with evidence and research, professional learning and educational outcomes). If you would like to be part of it, you can look forward to research based coaching and development tailored around your needs and aspirations. We want ambitious teachers like you to stay with us for the long-term, so you will have access to a comprehensive wellbeing package and we will do everything we can to help you be the very best leader you can be.
