We are looking to recruit an enthusiastic Year Progress Leader to join the Secondary Phase in our heavily oversubscribed school which has a reputation for providing outstanding support for staff and students. The successful candidate will lead and manage student progress across the curriculum, attendance and behaviour for an assigned year cohort.

Edmonton County School always looks to recruit committed and ambitious professionals who are keen to develop their talents. Potential is more important than length of experience. This is a teaching role - if you have experience in teaching GCSE English, Computer Science, Geography or PE, that would be an advantage. However, teachers of any subject should apply.

Edmonton County School is a mixed, all-through, multicultural, dual campus school with a genuinely comprehensive intake. We are a good school with outstanding aspects and we enjoy teaching well-motivated students. The school is in an exciting stage of its development and we welcome applications from people who want to become part of a consistently improving school.

Apply online direct through TES or download an application pack from the school website www.edact.org.uk or email us at ECSrecruitment@edact.org.uk

Applications are to be received no later than 9am on Friday 10 May 2024. Provisionally, interviews will be held week commencing Monday 13 May 2024, but applications will be processed as received.

CVs will not be accepted as formal applications.
